PUBLIC SERVICE COMMISSION OF WISCONSIN

Application for Approval of Generation-Transmission
Interconnection Agreement Between American Transmission
Company LLC and Wisconsin Public Service Corporation

05-AE-114

NOTICE OF INVESTIGATION

THIS IS AN INVESTIGATION to consider the request by American Transmission Company LLC (ATC) and Wisconsin Public Service Corporation (WPSC) to revise the Interconnection Agreement originally approved in docket 05-AE-105 as it relates to the jointly owned Kewaunee Nuclear Power Plant (KNPP).

KNPP is co-owned by WPSC and Wisconsin Power and Light Company (WP&L), but WPSC is the operating owner and is therefore the only party to this agreement with ATC.

The revised Interconnection Agreement contains a new Exhibit 2.KNPP, which serves two functions. It includes contact information for WP&L's site representatives, and also includes an assignment agreement between ATC, WPSC and WP&L that delineates the relationship and responsibilities of the parties and WP&L.

NOTICE IS GIVEN that the Commission considers it necessary, in order to carry out its duties, to investigate all books, accounts, practices, and activities of the applicant. The expenses incurred or to be incurred by the Commission which are reasonably attributable to such an investigation will be assessed against and collected from the applicant in accordance with the provisions of Wis. Stat. § 196.85 and Wis. Admin. Code ch. PSC 5.

The Commission does not discriminate on the basis of disability in the provision of programs, services, or employment. Any person with a disability who needs accommodations to participate in this proceeding or who needs to obtain this document in a different format should contact the docket coordinator listed below.
